

Dear RiverLife Church,  
Congratulations on the appointment of your new Senior Pastor. Having journeyed with your church over the years, I know that you have found an evolutionary leader who will be able to journey with this church to her next season.

We praise God for all that previous Senior Pastors and Elders have done to bring RiverLife to where she is today. I am certain that Pastor Ben & Pastor Dinah will have the grace and wisdom to progressively bring RiverLife towards her God-given destiny. Only by grace!

REV DR WEE BOON HUP  
BISHOP EMERITUS,  
THE METHODIST CHURCH IN SINGAPORE

Dear RiverLife Family,  
Our hearts are full of thanksgiving for this momentous transition of senior pastoral leadership from Pastor Lionel to Pastor Ben. We are thankful for Pastor Lionel's obedience to our Lord and the way he had lovingly shepherded the flock these past 7 years.

We are thankful for Pastor Ben & Pastor Dinah, our close friends since 2000, for taking up this mantle of leading RiverLife. We journeyed with them when they relinquished their senior pastoral roles in the previous church, when the plan to relocate to North America did not work out and during their time with Focus on the Family.

We saw their unwavering commitment to obey God's leading every step of the way. When they told us their decision to rejoin the local church pastoral ministry, we were thrilled because we always felt that is their true calling and where their heart is. When they told us they were planning to join RiverLife, we were even more thrilled, as we see that their gifting and passion is aptly suited for RiverLife this season.

May RiverLife continue to flourish in God's calling in this new season!

PASTORS VINCENT & JENNY LUN  
KINGDOM COMMUNITY CHURCH

Dear RiverLife Church,  
Congratulations on your appointment of Pastor Ben KC Lee as Senior Pastor of RiverLife Church! May God grant Ben & Dinah clarity of vision, uncommon wisdom, great boldness and above all, a deep love for his flock, so that they may lead the church to fulfil its God-given destiny.

PASTOR WANG TIAK KWENG  
SENIOR PASTOR,  
BRIGHTON COMMUNITY CHURCH

As I sought the Lord as to what to write, I see a vision of a vessel with a captain steering the ship with steady hands. Next to him is another wearing the same uniform. The first stepped aside, and the other stepped forward, and I saw the steering wheel being held by a new pair of steady hands, his eyes focusing on the journey ahead... With this picture, I know RiverLife Church is not only in good hands, but also in God's hands. May the river of life continue to flow in and through your church, to all your families, your small groups, your neighbourhood, into the nation, and beyond.
