Word [45 min]

Pastor Ernie shared the background of Ephesus

- It was located at the western part of Turkey. It was the leading city of the richest region in the Roman Empire, the greatest commercial city in Asia. Multi-ethnic with sizeable Jewish population.
- The primary god the people worshipped there was Artemis of Ephesus, and they worshipped up to 50 gods. It was famous as a centre of magical arts
- The church of Ephesus was started by Paul and his team of 12 (Acts 19). It was a famed centre for Christianity in Asia Minor during AD 50. They were known for being hardworking, persevering and spiritually discerning but lacked their first love (Rev 2:1-7)
- The main challenges the church faced were 1) Practical unity of the Jews and Gentiles 2) Differing theologies and 3) Hellenistic culture.

Paul's purpose of writing the letter was 1) To give new converts grounding in the gospel and 2) To help and admonish believers to cultivate a distinctively Christian lifestyle. In the first three chapters, Paul wrote about how Christ had broken down every wall between the Jews and the Gentiles, and how we are all saved by grace, and not by works. Paul exhorts us in Ephesians 4:1 to live a life worthy of God's calling.

Paul placed emphasis on the existence and unity of the Body of Christ because the Trinity models it for us. The main characteristic of the Trinity is relationship! We are created in God's image, and He has placed in us the ability to relate to one another, and this need to connect.

Pastor Ernie shared an overview of a Christian's journey, and shared to be in Christ is to be in His body (the believers). Discipleship and sanctification can only take place in the context of community.

“He works on us in all sorts of ways. But above all, He works on us through each other. Men are mirrors, or “carriers” of Christ to other men. Usually it is those who know Him that bring Him to others. That is why the church, the whole body of Christians showing Him to one another, is so important.” – C.S. Lewis

Why is Spiritual Community Essential to the Christian Life?

1. Absorption of kingdom values and formation of belief system
The spiritual community is the incubator (Acts 2:42-47) where we learn about kingdom values and our belief systems are formed.
2. Safety net in a culturally oppressive society
Pastor Ernie shared that in this world, sin is painted as pleasurable. We are all weak and broken, and the propensity to sin is much higher when we are alone. He also shared the examples of Charles Parham, a great healing evangelist and William Seymour (the Azusa Street Revival). Though Charles Parham was serving God in great measure, he did not finish well. The difference was because he did many things alone and did not have community to keep him accountable in his walk with God.
3. The receiving and giving of ministry (love)
Pastor Ernie drew an illustration of the believer as a tree. The soil is the community, and as we grow deep roots in the community, it enables the tree to receive nourishment and to stand during the storms.

Obstacles towards Spiritual Community

1. Fear
 - People may be concerned that spending time to grow in a spiritual community may result in the loss of time that may be spent on children, work, chores and opportunities. Pastor Ernie exhorted the church to work out our priorities as we grow in our Christian walk
 - People may feel ashamed and may fear that they will not be accepted. As we grow in a community, we learn that we are loved, and perfect love casts out fear.
2. Pride
 - People may have grown up under a heritage of independence and may not be comfortable learning to depend on others.
3. Culture of instant gratification
 - Having a spiritual community is hard work that requires time.

Moving Forward (our response)
