**Spiritual Objectives**

At the end of the cell discussion, cell members will:

1. Understand that Singapore has been blessed by God so as to be a blessing to other nations.
2. Determine, as a church and individual, to be a channel of blessing as God leads.

**Word** [45 min]

Pastor John reminded Riverlifers that salvation is not just for individuals but for the nations. God’s heart is for the nations to be saved; He sees every ethnic group as a unique part of His family that must return to Him, through us, the saved ones. Per Rev 7:9, the goal of history is the in-gathering of the nations. This is the end goal in which we have a vital role to play.

Just as Israel was called and covenanted by God to reveal God to the rest of the world, Pastor John recounted how Singapore has been blessed both materially and spiritually to rise, against all odds, to become a model nation for the world today. He reminded the congregation that the responsibility of being blessed is to be good stewards and use our wealth and blessings so that large numbers of people around us can be reached with the gospel of Jesus Christ and be saved. That is what it means to be a blessing.

Pastor John urged Riverlifers as they celebrate Singapore’s Jubilee, not to forget how blessed we are and our mission to further Kingdom causes.

Pastor Lionel Goh shared five blessings that RLC enjoyed over the last 24 years:

- Significant growth of membership; from 123 (~200 including children) to 3,000 enabled by the wave of charismatic renewal and strong leadership from 1999 to 2004
- Strong presence of God at every RLC meeting; most apparent to visitors
- Strong spiritual growth of Riverlifers and increasing number of people displaying spiritual gifts
- Young Riverlifers (1,000 in the 12 – 40 age group) fervent for God
- God’s awesome work in the mission field through RLC

He then challenged Riverlifers not to hoard our God-given blessings and choose to be a blessing by:

- encouraging one another to grow in God and serving faithfully
- building a loving intergenerational family in RLC
- reaching out to the community and social causes around us
- being involved in missions
