

## 20 MAR 2022 | PS ERNIE SONG | LIGHT OF OUR COMMUNITY | MATTHEW 5:13-15

### SPIRITUAL OBJECTIVES

At the end of the sermon discussion, cell members will:

1. Deal with our FOMO so that our light can shine brightly and unabashedly.
2. Be led by the Holy Spirit to where the light is needed most.

### SERMON SUMMARY

The church is the salt and light of the world. The light we have comes from Christ. When we allow His image (the Light) to form in us, this Light cannot help but shine to those around us in the community. Therefore, our posture of being salt and light is one that is birthed out of rested-ness and being, not doing.

### SERMON RECAP

RiverLife Church is called to be a river bringing life to the East of Singapore ([Ezekiel 47:9](#)).

#### 1. You are the Salt of the Earth (v13)

- Salt was used to treat wounds and preserve food. In Jewish tradition, salt carries a connotation of wisdom ([Colossians 4:6](#)).
- The Church is meant to be salt; to bring healing to the broken world, to preserve God's values, and to bring wisdom to the world so that they can see the Light ([Isaiah 61:1](#)).
- Salt is a very stable compound. The only way it can lose its saltiness is to be mixed with impurities (e.g., water dilutes salt). Once salt loses its saltiness, it loses its function.
- Therefore, we lose our 'saltiness' when we are polluted by the things of the world - when we give in to FOMO and refuse to let go of our earthly desires.

#### 2. You are the Light of the World (v14)

- Salt is the defence; it heals and preserves/protects. Light is the offence; it dispels darkness.
- When we become disciples of God, the Holy Spirit lives within us and lights up our lives ([John 8:12](#)). The lamp of our body is our soul; it represents our desires, our character, our motivations in life. The eye is the lamp of the body, and to keep our lamp shining, our eyes need to be healthy ([Matthew 6:22](#)).
- As the Holy Spirit does His work within us, transforming us in Christlikeness, we shine brighter and brighter ([Romans 12:2](#), [John 14:26](#)).
- Shining our light always involves good works ([Matthew 5:16](#)). The Light of Christ in our lives naturally results in good works – you can't help but shine. It is not something that you do; it is who you are ([James 1:27](#)).

- 
- The light that we have is not manufactured by us. By our own efforts we cannot produce light. Our light comes from Christ.
  - *Why are our lights not shining?*
    - The light is always burning in us (the Holy Spirit), it cannot be extinguished if we remain in the faith. Rather, it can be covered and hidden.
    - Our light are covered by our FOMO. When we have dealt with FOMO within us, our light will be able to shine – we are not afraid to love and give at the expense of our time, money, energy, and status.
  - *How do we let this light shine?*
    - Jesus wasn't vision driven. He was Father driven ([John 5:19](#)). Jesus ministered to the needs of the people because that is who Jesus is, that is who the Father is.
    - Jesus lived by the Spirit. He reached out wherever there was a need according to the will of the Father, through the Holy Spirit ([Romans 8:5](#)).
    - Therefore, we serve the community because that is who we are – as we mature towards Christlikeness, we can't help but let our light shine. When we allow the Holy Spirit to lead us, we shine our light where it is most needed.

### 3. Conclusion

- We need to abandon ourselves to the flow of the river by stepping out in faith to connect and make a difference among the poor and needy.

## DISCUSSION QUESTIONS

1. **What are some of the FOMO that prevent us from allowing our light to shine?**  
[15 mins]

### Leader's Notes

This is a recap and reflect question that connects the previous sermon series on FOMO to this new sermon series. We lose our saltiness (impact on the world) and cover up our light when we allow the world to impose its values and ways of living on us. When we fear missing out on a pleasure, dream or goal, it hinders us from fully surrendering ourselves (time, money, energy, status) to God. Therefore, when we have identified and then, have dealt with our FOMOs, we allow ourselves to lose control (by our self) and be overwhelmed by the River of God, bringing life wherever it goes.

Some possible fears to explore – fear of “losing face”, fear of not investing sufficient time for career progression, fear of not devoting enough care of our children, fear of not being able to enjoy life, fear of being too “radical”, etc.

### Transition

When we live with FOMOs, we are holding ourselves back and missing out on great opportunities to shine our light. Let's fear missing out on God's opportunities instead!

**2. What is the difference when one reaches out to the poor and needy within the community as a believer? [10 mins]**

Leader's Notes

Community outreach is not a box we need to check. As Christians, we not only help the poor and the needy in their situation, but we bring a message of hope as well. We bring the gift of salvation and eternal life. As the saying goes, “Give a man a fish, and you feed him for a day. Teach a man to fish, and you feed him for a lifetime”. The message of Christ and the family of God is the lifeline for a lifetime! It will transform the lives of those we are reaching out to. That is the difference a Christian brings in serving the community.

Transition

A Christian not only brings help, but also a message of hope, transforming the lives of others.

**3. How do we allow the image of Christ (the Light) to develop in us? What are some practical ways for that to happen in our cell? [15 mins]**

Leader's Notes

Jesus wasn't vision driven. Rather, He was Father driven (John 5:19). Jesus didn't minister to the needs of the people because of a vision. It was because that was the character of God. Jesus ministered out of who He is. He lived by the Spirit and reached out wherever there was a need.

We don't serve the community because of a vision or so that we can check a box. Rather, we serve the community because that is who we are – we can't help but let our light shine. Our posture towards the poor and needy is therefore not one of strive, but rather from a position of love, identity and rest. We become the light of the world when we choose to allow the Holy Spirit to lead us to those with needs around us – wherever, whenever.

RCS and RL Cares are platforms that have been established by RiverLife Church so that we can engage with the community. What are some projects our cell can participate in to meet the needs of the poor and needy? Listed below are some opportunities from RCS (Refer to the Announcement Section for more details):

- Purchase of Family Movie Day Tickets (Goal: \$150,000)
- 40 volunteers for various roles (Family Related programs) – family/children befriender, tutor, mentor
- Sign language volunteer to serve the hearing-impaired
- Organisations to partner financially with RCS for food and grocery distributions
- Other possible initiatives/roles (to be discussed with RCS)

Closing

When we are moving toward Christlikeness, we live by the Spirit. That means walking in obedience to His leading and fully surrendering to His charge.

## WORKS

Consider dividing the group into micro-groups for a deeper time of sharing as well as praying for the following items:

### 1. Sermon Application

- For us to uncover the God-given light in us so that we can shine in our community.
- For us to allow the Holy Spirit to form the image of Christ (the Light) in us.
- For us to serve from a posture of rest, not strive.

### 2. COVID-19 in Singapore

- Pray for God's protection on our nation from the virus.
- Pray for God's strength on our nurses and healthcare workers as they manage the influx of cases.

### 3. War In Ukraine

- Praise the Lord for the peace negotiations so far.
- Pray for Russia and Ukraine as they continue with their peace negotiations.
- Pray for the safety of all Ukrainians especially the churches there.
- Pray for a swift end to the invasion.

### 4. Opportunities for Outreach

- Ask the Lord to grant you opportunities to reach out to a non-believing loved one, friend, or colleague this week as we seek to mature in Christlikeness.
